

Software Engineering II - Software Design Studio

Scrum Summary

Date: 9/22/2020

Name:Akeem Heshimu

What was planned (JIRA #): JIRA #3 (Create Website)

What was accomplished (JIRA #):In JIRA #3 I helped start off the creation of our website by providing the code necessary for the website to be created. Creating both HTML and the CSS portion for our website from an application called Dreawmworks via Adobe products.
